I hereby certify that the above permitted structure shall be built in accordance with the current Georgia State Energy Code for Buildings. This code regulates the design, erection, construction, alteration and renovation of buildings. Compliance is mandatory.

Initial _____

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or the performance of construction.
